Introducing the Social Media Marketing Agency 2.0

Since the first release of my Social Media Marketing Agency program, that's already helped over 35,000 people learn how to start an agency, it's been refined and updated for 2018. This new version, SMMA 2.0, now comes with exact email and phone scripts for getting clients.

Also included: the latest social media marketing tactics for Facebook, Youtube, and Instagram and exclusive content from top SMMA students, who're earning 6- and 7-figures a year from the original program.

Tested, Proven, & Improved*

The techniques in the Social Media Marketing Agency 2.0 are proven to work.* Since the first release of this program it's been refined and updated with new content. As of today, over 35,000 students around the world have used this program and extraordinary results have been achieved by many.*

Some of the top students in the Social Media Marketing Agency are earning 7-figures a year. Hundreds are earning 6-figures annually and thousands have given praise about the program.

Trend Stacking

I've combined the top-performing trends today — social media and small business consulting — into an all-in-one solution you can use to get started today. While most are missing out, you can get the first-mover advantage thanks to the step-by-step process in this program.

Guided Tutorials

Watch the video lessons in the members area using any device connected to internet. Downloadable "offline" templates and scripts are also included so you can learn on the go. You can spend years collecting all the necessary skills and knowledge alone OR get everything in one convenient place and launch within 4 months — before the trend is long gone.

Active Community

Surround yourself with like-minded people in highly-active community. With thousands of people interacting daily, starting a discussion, getting helpful answers, and networking has never been easier.

Helpful Support

I have multiple staff members on standby to help you with whatever issue you might stumble upon — available 24/7. As a member of the Social Media Marketing Agency 2.0 you'll get priority access to my team.

Learn anytime, implement from anywhere

Do more than watch videos

Advanced Online Education

In the Social Media Marketing Agency 2.0 you'll get access to more than 80 tutorial videos guiding you through every step of the process. But that's just the beginning. Each video also includes an actionable lesson to help you implement what you've just learned. All of this training is available on any desktop or mobile device, anywhere in the world, anytime you like.

Ongoing Help

As a member of the Social Media Marketing Agency 2.0 you'll also get registered for ongoing live calls that keep you updated with the latest trends and strategies, in addition to an archive of previous calls for you to review. These lessons include tutorials from top marketing experts and provide you with case studies from other successful members.
